

Abbey Road Primary School has a wide and increasingly varied range of extra-curricular sports and opportunities for physical activity available to all children. The successful delivery of our PE curriculum combined with this resource as well as the valuable (voluntary) contributions of Staff and Parents has made Abbey Road one of the most successful schools in the Rushcliffe and in the wider county when it comes to competitive sports. In addition the amount of physical activity undertaken by pupils exceeds that which is typical of most schools.

To maintain and further develop the wide breath of sporting/physical activity we have used our additional PE funding strategically in order to secure longer lasting benefits as well as ensuring children are equipped with essential life skills. The information below shows that we invest well over our 'PE and School Sport Premium' funding in giving our pupils a range of opportunities.

For the financial year 2015/16 our "PE and School Sport Premium" was circa £9500. The activities below are for the academic year 2015/16.

**In July 2016 we were awarded 'School Games Silver Mark' in recognition of the opportunities available to our pupils. Second consecutive year of this award.**

Activity	Approximate Cost	Outcome
Swimming: All pupils in Yrs 3-5 at least one half term of swimming with professional coaches. Targeted small group teaching for Yr3-6 pupils unable to swim 25m for an extra term	£13,000  <b><i>Note: this is sporting opportunity beyond that which would be offered without the funding. Without funding swimming would likely be one year group for one term as the national requirement. Funding contribution circa £6,000</i></b>	- in the past two years 97% of pupils who have left school have met or exceeded Government target of pupils being able to swim 25m by end of KS2. - for the pupils who were unable to achieve 25m there had been improvement from absolute non-swimming -water safety also promoted for all pupils
Cost of staff supervision at competitive events and participation festivals during school time	£1000	- broad range of pupils –of different year groups- able to experience both competitive and informal sporting events - promotion of community clubs and pathways to regional representation - 127 pupils have taken part in inter school competition. Opportunities in 15 different sports 130 pupils have taken part in inter school festivals
Transport to and from competitive events	£300
