

Abbey Road Primary School

Attendance Policy

March 2019

Introduction

At Abbey Road all of our pupils are encouraged to **'take care and be proud'** – of each other as well as themselves; of the work they do and their school environment - and our dedicated staff team take the time to get the best from each child, ensuring individuality is nourished and nurtured. For our children to gain the greatest benefit from their education it is vital that they attend regularly. Children should be at school, on time, every day the school is open unless the reason for their absence is unavoidable.

Everyone in school has a responsibility to improve or maintain excellent attendance and adults in school should model these expectations as well as encouraging them.

Attendance - Daily Actions

- School starts at 8:45am. Children arriving between 8.45am and 8.55am will be given a present mark (/).
- Any child arriving at school between 8.55am and 9.15am will be given a late mark (L). (At this point, registers will have been submitted to the school office.)
- If a child arrives at school after 9:15am, this will be recorded as an unauthorised absence.
- Any child arriving late (after 8.55am) needs to be brought to the school office so that they can be signed in to school.
- If a child is going to be absent, parents should contact the school office before 8.45am so that the reason for absence is known and can be recorded in the register correctly. If the absence continues, parents should contact the office each day unless a longer period of absence has already been communicated and agreed.
- If the class teacher is informed directly they should insert the correct code into the register. The class teacher is responsible for the accurate administration of the register. Staff should be aware that this is a legal document and ensure it is completed correctly.

Parents

If we do not hear why a child is absent, the school office will begin to make contact with parents/carers to find the reason for a child's absence. It is vital we know that children are safe and not in a situation that may endanger them, as well as understanding the reason for the absence.

In the case of sustained periods of illness, or regular days being taken ill, we will ask if there is any support or help school can provide to help children to attend or if there any difficulties we should be aware of in the interests of a child's safety and wellbeing. If we feel it is appropriate, we have an obligation to suggest when a child should really be at school rather than being kept at home. We refer parents to this NHS guide to support their decision-making.

<https://www.nhs.uk/live-well/healthy-body/is-my-child-too-ill-for-school/>

The school does not have to accept reasons given for absence and may ask for evidence of (eg) medical appointments. School may record absence as unauthorised if we believe it to be the correct course of action.

At all times we will act in a fair and consistent manner, adhering to the principles within Nottinghamshire's Code of Conduct and their Improving Attendance Toolkit.

Positive rewards

Attendance is rewarded at the end of the school year, with awards for pupils who have achieved 100% attendance.

Monitoring and Management of Absence

It is the responsibility of the Senior Leadership Team to monitor attendance and punctuality regularly. The data which is extracted from accurate and up-to-date attendance registers is used to support the more effective management of whole-school attendance matters.

Such data can be used to:

- identify individual children and particular groups of children who are or may be at risk of becoming persistent absentees (attendance below 90%);
- facilitate and encourage early intervention;
- identify particular types or patterns of absenteeism (for example, time lost to term-time holidays, regular absences on Mondays and/or Fridays, etc);
- match attendance trends with attainment trends;
- identify possible inconsistencies in the implementation of school policy
- report attendance matters to parents/carers.

Actions taken when attendance/punctuality is causing concern

Every half term, pupils whose attendance or punctuality are causing concern are identified and discussed with the school's Family Link Worker and Head Teacher. Areas for concern could include: when a child's attendance falls below 90%, where a child has an identifiable pattern of absence (e.g. most Fridays) or where attendance changes suddenly without explanation.

The Head Teacher and Family Link Worker will treat each case individually, in order to provide the most appropriate level of support. If necessary, school will work alongside parents to organise support and guidance from outside agencies such as the school nurse or mental health professionals (eg: CAMHs). If appropriate, and with parental consent, Team Around the Family meetings will be organised to discuss and review relevant actions with a purpose to increase attendance.

At the beginning of the spring and summer terms, where attendance is below 91%, parents/carers will receive a letter identifying the attendance issue and requesting improvement along with a detailed record of the child's attendance to date.

If attendance continues to decrease after an initial letter and any agreed support, then parents/carers will be contacted to discuss their child's attendance further with the Head Teacher and/or Family Link Worker.

If parents/carers do not engage with school throughout this period, they will be informed that the school has been left with no option but to refer to Nottinghamshire County Council's Early Help Services (Attendance Team) or to Social Care, as appropriate.

If, at any time, there are wider concerns about a child's welfare, then safeguarding procedures will be started immediately in line with our child protection policy.

Leave of Absence During Term Time

The Government has made amendments to the Education (Pupil Registration) (England) Regulations 2006 which came into force on 1st September 2013. These state that Head Teachers may not grant any leave of absence for holidays during term time unless there are exceptional circumstances. In these cases, it is the Head Teacher who determines the number of days a child can be away from school, if leave is granted.

As a consequence of these changes, school is no longer able to approve requests for holiday absence for reasons that are not considered to be exceptional such as:

- Availability of cheap holidays or travel arrangements
- Days overlapping with the beginning or end of term or INSET days
- Day trips
- Sporting fixtures or shows
- Holiday dates of siblings at other schools

Parents/Carers looking to take their child out of school during term time, must apply for permission in advance using the 'leave of absence' request form – available from the school office and website. All requests will be considered on an individual basis by the Head Teacher.

Any period of leave taken without the agreement of the school, or in excess of that agreed, will be classed as unauthorised and may attract sanctions such as a Penalty Notice.

Applications will not be authorised retrospectively.

Fixed penalty notices

If a child has unauthorised absence of more than 3 days/6 sessions (over a 6 week rolling period) a request can be made to the Local Authority to issue a penalty notice.

This school will issue fixed penalty notices in line with Nottinghamshire Local Authority's procedures and support systems. Further details on the issuing of penalty notices are in the 'Nottinghamshire Local Code of Conduct for Penalty Notices Issued in Respect of Truancy and Excluded Pupils'.

<https://www.nottinghamshire.gov.uk/media/127161/code-of-conduct-for-penalty-notices.pdf>

Home visits

It is the policy of Abbey Road Primary School that staff do not make home visits except in exceptional circumstances and then, never alone.

Recording

Any contact with parents/carers, including meetings, regarding this matter will be noted, signed and dated, along with copies of letters sent to the family. All these will be retained in the child's record. If Nottinghamshire County Council's Early Help Services become involved, the child may have a concern folder kept in accordance with the school's child protection policy. At this point, all attendance documentation will be filed in the child's concern file.
