

Add these Literacy tasks to your timetable. Make sure that 'a new bird discovery', 'grammar writing', 'editing' and 'publishing' are done in that order 😊

<p><u>A new bird discovery</u></p>  <p>Imagine that you have discovered a new bird species – that has never been seen ever before! (See separate instructions)</p> 	<p><u>Grammar</u></p> <p>Identifying co-ordinating conjunctions.</p> <p><a href="https://www.bbc.co.uk/bitesize/topics/zwwp8mn/articles/z9wvqhv">https://www.bbc.co.uk/bitesize/topics/zwwp8mn/articles/z9wvqhv</a> (See separate instructions)</p>	<p><u>Writing</u> </p> <p><u>Writing to inform the reader</u></p> <p>Create a piece of writing to let the world know about your amazing new bird discovery.</p>
<p><u>Editing</u></p> <p>When your writing is complete, it is time for you to edit. When you edit, look back to see and highlight/underline each conjunction that you have used. Edit to make sure you have used three. Now look at the 'Editing Checklist' to help you edit further.</p>	<p><u>Publishing</u></p> <p>Now that you have successfully edited, it is time to create your final piece of writing. We would like you to carefully think about how to lay out your work with eye-catching presentation. It could be a leaflet or poster. It up to you. Please do include drawings to go with it. We look forward to seeing your work when we are back in school.</p>	<p><u>Reading</u></p> <p><u>Chicken Life Cycle comprehension.</u></p>  <p>You can print this if you would like to or you can simply jot down your answers on a separate piece of paper</p>

Look out for your list of spellings for this week too.
