

## Hello lovely lot!

How are you? We hope you've had a good week and have enjoyed getting stuck into some of the tasks that we set for you. Which has been your favourite? Mrs Mitchell has been particularly excited by all of the ideas she's going to get for her garden!

We've received lots of lovely pictures of you completing your tasks or getting involved in other wonderful, creative projects at home. Thank you for sending these to us, it really makes us smile to know that you are happy and keeping safe and well. Remember, if you want to share anything with us, you can ask a parent to email [office@abbeyroad.notts.sch.uk](mailto:office@abbeyroad.notts.sch.uk) and these emails will get forwarded to us 😊.

Because we have loved seeing your smiling faces, we wondered if it might make you smile to see us too! Here are some of the things we have enjoyed doing this week:

We'd love to include some of you in our letter to you all next week. There won't be space for 62 pictures, unfortunately, but we thought we could try and include a small selection on each letter. We will pick a couple of photos to use from the emails that we are sent, so please ask your parents to let us know (on the email containing photos that they send) if they **do not** want your picture to be published.

The final thing we wanted to mention to you is to do with the writing that you have been producing. Already, you've written and published your Greek myth and your garden design and we hope that all of you feel really proud of what you've produced. Please can you k these and any future **published** writing (there's another coming this week!)? Our thought is that then, when it is safe for us to all come back together at school, we could spend some time sharing these with one another. We'd love to see what you've produced and we bet you would like to show your friends too!

Have a lovely weekend and enjoy the next set of learning activities!

**From,**

**Miss Healey, Mrs Dussek and Mrs Mitchell** 😊
