Dear Class 1P and 1HB,

We are missing you all very much and the days are very quiet without you. We hope you are working hard on the activities we have planned for you each day and that you are impressing your parents with your fantastic work. You can always email your lovely work or activities to Mrs. Toom or Mrs. Horton, and they will make sure we get to see them. We enjoyed seeing Theo Bill's lovely writing and ordering of his plant pictures, Finn's report on an apple and pear tree and hearing about the fun Teddy has been having gardening and baking. We were super impressed with Eddie's driveway art too!

Mrs. Poole has seen some children run, scoot and walk past her window whilst she has been working, which has really brought a smile to her face, and she had a quick hello with Callen across the street when she was out running, getting her daily exercise. Don't forget there is a fun exercise routine every day at 9am with Jo Wicks on you tube. We are all doing it with our families and hope you are too!

We have loved seeing all the rainbows up in your windows as we have been walking around the streets. Mrs. Poole and Mrs. Hicking have made rainbow trees:

We have included some lovely Easter holiday ideas with useful links that you might like to do with your family. You will have also received a log in to go on NumBots which has fun addition and subtraction games, so you can get started on that too if you wish!

Easter Holiday Activities

Write a nature diary – look out of the window or go in the garden and write down what you see. Birds, flowers, trees, insects, the weather etc – What’s changing? What’s the same and what’s different each day? You could draw a picture each day too. Start each day writing what day of the week it is – spell the day correctly! You could continue this after the Easter holidays if you like.

<https://www.activityvillage.co.uk/easter> some printable Easter activities here.

There are lots of Easter resources on Twinkl – you’ll need to create an account but everything is free for now. There are Easter story power points to watch and sequencing activities to do. There’s also a simple Why do we celebrate Easter? Power point. There are lots of printable craft activities too and some reading comprehension activities. <https://www.twinkl.co.uk/>

<https://www.bbcgoodfood.com/recipes/collection/easter-kids>

<https://www.goodtoknow.co.uk/food/recipe-collections/easter-recipes-for-kids-46497>

Some lovely Easter baking ideas.

<https://www.easypeasyandfun.com/15-must-do-easter-crafts-and-activities-for-kids/>

Lots of activities with toilet rolls!

Many galleries have virtual online tours – why not visit the Natural History Museum from your own house? <https://naturalhistory.si.edu/visit/virtual-tour>

Chester Zoo have live videos and virtual tours on their facebook page and are also available to watch on their website. <https://www.chesterzoo.org/> Enjoy finding out about all the different animals and maybe make a fact file or information leaflet about your favourite animal.

<https://medium.com/pobble/simple-and-fun-non-screen-activities-that-children-can-do-at-home-115543cb3b9c> There are 25 non screen activities to do on this website!

Finally, lots of 1HB enjoy singing Nick Cope songs so you might all enjoy singing along to:
