

Brazil

This week our Geography and Literacy work together.

Look at the task with title 'Brazil'. There is a video to watch. Here is the link again.

Complete the Geography task called 'Brazil'.

The picture prompts are important to help you with your next Literacy task.

Brazil!

Now that you have seen the pictures and the video, think again about the first impressions of Brazil that they lead you towards...

Use the picture prompts to make notes on the words and phrase that you are thinking of! There is a worksheet called 'First Impressions of Brazil' with the picture prompts on if this is helpful, but remember you **don't need** to print it off. You could create a mind map or a list of the words under the different prompt headings on plain paper 😊

Write an acrostic poem about your first impressions of Brazil.

Definition of Acrostic Poems

An acrostic poem is a poem where the first letters of each line spell out a word or phrase vertically that acts as the theme or message of the poem. Sometimes a word or phrase can also be found down the middle or end of the poem, but the most common is at the beginning. A lot of people use these poems to describe people or holidays, and lines can be made up of single words or phrases. Acrostic poems do not follow a specific rhyme scheme, so they are easier to write.

We are looking for descriptive words that describe just your first impressions of Brazil. Use the images, in the video, to help you and look back at your words from your 'Picture Prompts'.

Brazil

So, start with each letter of Brazil and write your most descriptive words and phrases to describe your first impressions. You don't need to print this. You can create this on any piece of paper. We also think you can edit details, improve vocabulary and check spellings as you write.

Publishing

We would like you create a wonderfully presented version of your poem. Think carefully about how to make your poem eye-catching.

Think of it as a piece of work for display. You could write in colour – maybe using the colours of the Brazilian flag.

Include pictures.

Coloured drawings would be lovely.

Present a poem to be proud of.

Remember to put your published piece safely with your growing collection of finished pieces of writing.

Unless this one is going on display in your house – because it is so brilliant 😊.
