

Brazilian Carnival

Over half-term, maybe you could create your own mini Brazilian Carnival at home? Take a look at the link below ...

<https://www.youtube.com/watch?v=3-03w8JF8bg>

- Perhaps create a headdress using cereal boxes or other packaging. (We don't want you to go out and buy materials for this so get creative and re-use packaging that would go in your recycling bin)

- Or just wear some brightly coloured clothes.

- Find some 'Samba' style music

- Create a dance. Maybe your family will follow you in a conga style dance.

- Make your own percussion instruments using pans or create a shaker.

- We'd love to see some videos and photos. Send them to us at office@abbeyroad.notts.sch.uk

Colourful Costumes

Brazilian Carnival Costumes are one of the most well known things about this amazing celebration. The costumes are more than just a strings, beads and a few feathers.

The costumes are covered in millions of beads, spangles and feathers. The underlying costumes can be sewn by machine, but all the beads, spangles and feathers have to be painstakingly put on by hand.

We look forward to
seeing your photos and
videos.
