

Find a place for these activities on your timetable, you can choose when you do each one, there isn't a set order!

Geography

The Amazon Rainforest!

This task will lead you into your writing task for this week. We would like you to look at some pictures and videos of the Amazon and to record your initial thoughts and questions. The sheet called 'The Amazon Rainforest' has a link to the video as well as some picture prompts to help you consider your first thoughts.

Geography

Layers Of The Rainforest!

Work through the PDF called 'Layers Of The Rainforest' to learn more about the Amazon rainforest and the way that it is structured. After you've learnt a little more, we would like you to record your understanding of the rainforest's layers in a way of your choice –the more creative the better!

PE

Keep up your favourite physical activities.

Did you have a go at the orienteering skills sessions last week? Let us know how you got on if you did! Try to make sure you are active for at least 60mins every day. See Sporting News page on school's website (Children – Enrichment – Sporting News) for more ideas.

PSHE

It's always good to talk! Whether that's about our thoughts, feelings, emotions, hopes or worries. Have a go at the 'Roll 2 Dice' game and see if you can answer each of the questions. Remember, you don't need to print anything off! You could record your answers however you like, or you could chat about your thoughts to somebody at home!

Spanish

Have a go at the 'True or False' reading challenge using the worksheet called 'La Ropa Reading Exercise'. There's an answer sheet too! Again, you don't need to print either of the sheets out, you could talk about them with somebody at home or record your answers on any paper.

Wellbeing:

Have a go at week 1 of the ELSA 14 day photo challenge!
