

Find a place for these activities on your timetable, you can choose when you do each one, there isn't a set order!

Geography
 Work through the PDF called 'The World's Continents' to revise your knowledge of the names of the different continents and then to have a look more specifically at South America through the activity called 'South America Map Reading Activity'.
 *Remember, you **don't need to print** anything off! You can write your answers down for the map reading on plain paper. However, if you **do** want to print out the PDF, we have also saved a version that is mainly black and white for you so that you don't waste coloured ink on the backgrounds*

PSHE
 Pick an activity from the ELSA Support May Wellbeing Calendar to try!
<https://www.elsa-support.co.uk/wp-content/uploads/2020/04/May-Calendar.pdf>

Geography Brazil!
 Work through the PDF called 'Brazil!' to gain some insight into Brazilian culture... What can you learn from the pictures and video?
 Then have a go at recording your first impressions using the 'picture prompts'. This is actually also the first step for your writing task this week. The words and phrases you record will help you when you come to write your poem.

Spanish
 Have a go at describing what you wear for school and what you wear when the weather is nice (let's see if we can encourage the sun to come out!). The worksheets called 'La Ropa - Me Pongo At School' and 'La Ropa - Me Pongo Nice Weather' will help you, but you **don't need to print** them out! It could be fun to look at them online and then to draw your own versions... That way you can become a fashion designer *and* practise your Spanish!

PE
 Keep up your favourite physical activities. Are you still enjoying Joe Wicks? Did you try Cosmic Yoga?
 Did you have a go at the golf or football skills sessions? Let us know how you got on if you did!
 This week, you can develop your netball skills. Go to the Sporting News page on school's website ((Children – Enrichment – Sporting News) to find the link.

Wellbeing:
 Have a look at the PDF called 'Design Your Own Flag' to learn about the Brazilian flag before designing one to represent you or your family.
