

Find a place for these activities on your timetable, you can choose when you do each one, there isn't a set order!

### Geography Brazil 1!

Use the PDFs named 'Human and Physical Features PART 1' and 'PART 2'. We had to split it because it was too large to upload to the website all as one document. Work through the slides to learn more about the terms 'human' and 'physical' features.

### Geography Brazil 2!

Use the PDF called 'Brazilian Landmarks' to learn about some of Brazil's most famous landmarks and pick one to research. You can present your research in any way that you like! The more creative, the better! Then use all of your knowledge on the landmark to complete your writing task, which is to create an advert aimed at encouraging people to visit your chosen place.

### PE

Keep up your favourite physical activities. Are you still enjoying Joe Wicks? Did you try Cosmic Yoga?

Did you have a go at the netball skills sessions last week? Let us know how you got on if you did!

This week, you can develop your orienteering skills. Go to the Sporting News page on school's website ((Children – Enrichment – Sporting News) to find the link.

### PSHE

Pick an activity from the ELSA Support May Wellbeing Calendar to try!

### Spanish

Use the worksheet 'La Ropa Word Puzzle' and see if you can spot the Spanish words for the items of clothing. You **don't need to print** the worksheet off, you could look at it on screen and write down your answers on a piece of paper ☺. If you can find 7, you're 'estupenda/estupendo', if you can find 14, you're 'fabulosa/fabuloso' and if you can find all 21, you're an 'estrella española'!!

### Wellbeing:

Watch the Pass It On video (you'll find it on the website). All of your videos made us smile so much, we hope it will make you smile too!

Why don't you contact a friend that you spot on there? You could ask a parent to help you email them or to organise a virtual chat and then you could tell them what you liked most about their clip!
