

Dear Parents, carers and children of Year 2,

How are you all? We hope you and your families are happy and well. Thank you for your emails and pictures. The last 2 weeks have been very different for your Year 2 teachers as we have all been back in school, working with some of the children who have returned to Abbey Road. It has been nice getting to know other year groups... but it certainly makes us realise how much we miss you and how special each and every one of you are to us. Having your photos and updates over the last 2 weeks has made us all smile even more than normal. Please keep them coming (but forgive us if it takes a little longer to reply).

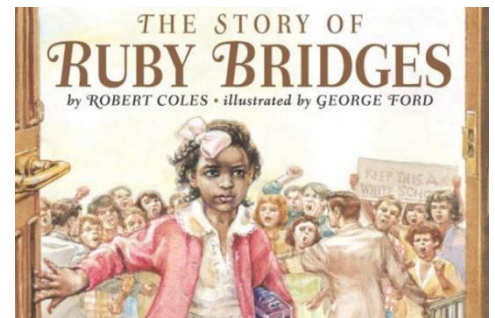

HAPPY BIRTHDAY to...

Everybody in Year 2 would like to wish Eva a Happy 7th Birthday! We hope you have a special day celebrating with your family; playing games and eating cake!

Website news

Mrs Phillips is reading our story this week on the Year 2 page of our website. We hope you find 'The story of Ruby Bridges' an interesting and thought - provoking story. You will also see that the 'June updates from our friends' page has been updated with most recent pictures of your friends too.

As per usual, you will find the resources needed for next week's 'Home Learning' on the Year 2 page of our website. The first link after this letter that you will find "**Read Me 15.6.20**" provides the outline for the week ahead. This week, one of the activities we have suggested for you to do, is to create a *mindfulness A-Z*. It is so important to focus on things that make you happy – can you create an A-Z of things that bring you joy? Maybe incorporate pictures/drawings/photos too. We'd love to see your final creations and share them with your friends 😊

Stay safe and take care

Year 2's Clues!

So, did you guess the answer to the riddle last week?

What is full of holes but still holds water?

Answer: A sponge

Well done if you worked it out!

The riddle for this week:

What has hands but doesn't clap?
