Activity Introduction

What do you think happened?

What has frightened the wolves?

Is Ivan in even more danger?

Activity Introduction

Remember we've only just started the book, Ivan is only at the beginning of his adventure, so what do you think has happened?

What could frighten the wolves but maybe not be so interested in Ivan?

Maybe what ever it was didn't know he was in the tree?

Activity Introduction

Today, we would like you to write the next chapter in the book.

As this is extended writing, you should spend about 40 mins writing – of course you can take little breaks to give your hand and brain a rest.

You can write on a laptop or tablet or use a pen/pencil and paper.

Remember your writing should include all the elements we have been working on recently.

Activity Introduction

When finished remember to check your writing:

- **Has joined up handwriting**
- **Has accurate punctuation**
- **Is written in the past tense**
- **Has expanded noun phrases**
- **Has fronted adverbials**
- **Has some dialogue**

We're looking forward to reading your next installment.

Good luck!
