LO I can use evidence from the text to answer retrieval and vocabulary questions.

1. What did Nosy see every time the T. rex roared?
2. What did Aviatrix mean by 'Time for a bit of fun.'?
3. Why did the T. rex let out a loud bellow?
4. Define gracefully. If you aren't sure use evidence from the text to have a guess.
5. Find a word that tells us the T. rex was angry.
6. What simile is used to describe Aviatrix dropping down?

LO I can answer inference questions, using evidence to justify my thinking.

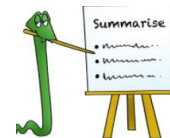

*Remember to use evidence to explain why you think a character may feel a certain way **(because)***

1. How do you think Nosy felt when he saw his mother flying around the T. rex? Use evidence to explain your answer.
2. How do you think the T. rex felt? Use evidence to explain your answer.
3. How do you think Aviatrix was feeling? Use evidence to explain your answer.
4. How do you think Clawed might feel because he doesn't know as many long words as Nosy and Aviatrix?
