

Answers

1. Why do you think the containers are like imaginary animals? Explain your answer.
Accept any answer which refers to the story, e.g. I think they look like imaginary animals as this may have looked exciting to a young baby and would have made them drink their milk.

2. Number these historical eras so they are in the correct order that they occurred. The first one has been done for you.

4	Iron Age
2	Neolithic
3	Bronze Age
1	Paleolithic

3. Compare and contrast life in the Paleolithic with the Neolithic period.
In the Paleolithic, people also lived in caves and were hunter-gatherers. In the Neolithic, human lifestyles were transformed; people started to live in permanent settlements.

4. 'They appear to resemble imaginary creatures.'
Tick the phrase that is closest in meaning to 'resemble'.
 look like
 different from
 made from
 compared to

5. Why do you think the author says that 'some things have been going on for longer than you think!'
Accept any reasonable answer which refers to the story, e.g. I think the author says 'some things have been going on for longer than you think!' to show how some things have been happening for a long time.

6. Summarise the story in 20 words or fewer.
Accept any reasonable summary that is 20 words or fewer, e.g. Archaeologists have found three ceramic pots which show that babies were fed milk using bottles during prehistoric times.
