

Year 5 Summer 2 2023

Dear Parents,

It has been lovely to return to school in the sunshine and we have been impressed with the way the children have settled back into the school routines and learning expectations.

Much of our work last half term was linked to South America and we thoroughly enjoyed listening to the children share their persuasive speeches on deforestation.

This half term in Year 5

Literacy	Our literacy will predominantly be linked to our class book 'The Good Thieves' where we will be creating our own adventure story which includes a heist.
Maths	In Maths, we will be looking at converting a range of different units, negative numbers and volume.
Science	In Science, we will be looking at 'Animals including humans'
PE	Cricket with Mrs Dussek and Athletics with Premier Sports
Geography	North America with a focus on the differences between the different areas.
Art	Sketching: study Frida Kahlo Hannah Höch and create own portraits.
DT	Cams: Creating a moving advert
PSHE	Relationships and Changing me (Sex, relationships and education)

RE	Investigating religions focusing on Sikhism
Computing	Creating codes and cyphers

PE will continue to happen on a Tuesday and Thursday afternoon.

We will continue to send spellings and homework home. All homework books are expected to be returned to school by the following Wednesday and we thank you for your continued support with this.

Best wishes

The Year 5 Team
