11th January 2024

Dear parents and carers of children in Year 2,

You received a copy of this information in the Autumn Term. Thank-you to all of you who have already responded and paid the deposit. If you have not yet been able to respond using the link below, please do so by Friday 2nd February 2024, as we need to confirm numbers with Beaumanor.

There will be an information evening next half term to share more details about the trip. If you have any concerns you would like to discuss please email us on Year2@abbeyroadprimary.co.uk.

Year 2 Residential Visit to Beaumanor Hall, Leicestershire

Monday 22nd April and Tuesday 23rd April – Class 2ML
Tuesday 23rd April and Wednesday 24th April – Class 2WF

We have run this visit in previous years, and it has always been very successful, providing children with the opportunity to spend a night away with their schoolfriends, as well as enhancing our curriculum with real life experiences. Beaumanor Hall in Leicestershire is regularly used by Nottinghamshire and Nottingham City schools and has an excellent reputation for providing residential visits for children. It has been awarded the LOTC Quality Badge which demonstrates its commitment to delivering high quality learning experiences for schools in a safe and suitable environment.

Beaumanor Hall only caters for school parties during the week and can guarantee that we will have self-contained and secure accommodation. Only our children and staff will have access to it for the duration of the visit.

We will set off at approximately 9.15am on Monday (2ML) or Tuesday (2WF). On arrival at Beaumanor, the children will spend the day taking part in a range of activities linked to our

Habitats topic, including pond dipping and mini-beast hunting, and the day will finish with a campfire. The following morning, there will be yet more activities and we will also visit the gift shop before making our return journey, arriving back at school for the end of the normal school day.

The total cost of the visit will be **£130**. This includes: practical activities led by specialist instructors, all insurance for the trip, all transport costs, all meals (plus snacks) and accommodation. The cost of residential trips has increased considerably over recent years and, although we appreciate that this is expensive, we are keen to keep them as part of our curriculum offer because we know how much they benefit the children.

We have decided to share the details of this visit with you earlier than we usually would to enable you to spread payments over more instalments.

School may be able to support parents in meeting the cost of this trip if your child is in receipt of pupil premium funding (e.g. receiving free school meals). Please follow the link below to see if you are eligible, or talk to Mrs Toom, in confidence, if you require further support.
