

## Year 5 Spring (first half) 2025

Dear Parents,

Looking back, we had a great first term in year 5. We enjoyed getting to know the children and discovering we really do have a fantastic year group! Thank you so much for your ongoing support and for the kind Christmas cards, messages and gifts.

Some of our first term highlights included: learning about Ancient Greeks and Earth and Space; immersing ourselves in our class reads 'Who Let the Gods Out?' and 'Wonder' and our trip to The National Space Centre.

Almost all the children took part in Bikability and the feedback from the trainers was overwhelmingly positive. The children should be proud of their many achievements.

### **This half term in Year 5**

<b>Literacy</b>	Our class read is 'The Storm Keeper's Island' by Catherine Doyle. The children will also be reading a range of instructional texts and writing their own.
<b>Maths</b>	In Maths, we will start the half term with multiplication and division and then return to fractions.
<b>PE</b>	Hockey and Gymnastics
<b>Science</b>	Properties of materials
<b>Spanish</b>	Family
<b>DT</b>	Bread making
<b>RE</b>	Pilgrimages
<b>Music</b>	Building a groove Época
<b>Computing</b>	E-safety iWeb

PE will continue to happen on Tuesdays with Mrs Dussek and Wednesdays with Premier Sports. Please try and ensure your child's PE kit is appropriately warm for the Tuesday outdoor sessions (coats, hats and gloves are all fine for playing hockey).

The children are still able to ride the bike track at break and lunchtimes throughout the week.

We will continue to send homework home on Fridays. All written homework books is expected to be returned to school by the following Wednesday and we thank you for your continued support with this.

Best wishes,

The Year 5 Team
